

The Dodge **Construction** **Marketplace** Directory

Reach Your Best
New Prospects
Every Week!

Every day the most influential construction executives in the country read every page of the Dodge Daily and Weekly Bulletins. To reach the leading contractors, make sure you're listed in the Construction Marketplace section every week! You can target your hot regions or get listed in all 130 publications nationwide.

Construction Marketplace is the section published on bright yellow paper in the Daily and Weekly 8 1/2 x 11 Bulletins. Readers, who are the most active bidders in the market every day, flip to the yellow section when looking for business partners, suppliers, and materials for their upcoming projects. The section is organized by CSI code, so readers can easily identify your firm and your expertise.

The standard listing includes your company name in bold face, contact name and title, address, telephone and fax number and one line of text promoting your company.

Our professional production department can create your ad for you at no charge.

Construction Marketplace is the fastest, easiest and most cost effective way to reach specialty contractors and other industry professionals you need to grow your business.

For more information, and other advertising opportunities, contact Jack Lalou at 888-675-1503
